

## **Important Changes in United Faculty of Florida Grievance Representation Policy**

*UF Works Because We Do!*

At its Fall 2008 Senate meeting, the statewide United Faculty of Florida (UFF) revised its grievance representation policy in response to liability and legal concerns. **Effective immediately, UFF will not provide grievance representation to faculty who were not dues-paying UFF members at the time when the grievable incident occurred.**

**All faculty have the right to file an individual grievance, but those who are not UFF members when the incident occurs must represent themselves or retain an attorney.** UFF retains the sole and exclusive right to invoke arbitration; non-members will not automatically have the right to pursue a remedy beyond the grievance process. If UFF agrees to allow a non-member to proceed to arbitration, the non-member will be responsible for the cost of the arbitration – \$2000 to \$4000 – and must provide his or her own attorney, the cost of which can exceed \$20,000. If a non-member informs the chapter of an incident, UFF *may* file a grievance on behalf of the chapter if it is believed to have chapter-wide impact on the enforcement of the collective bargaining agreement; however, that is at the discretion of the chapter.

**Please be aware that you are NOT automatically a member of UFF. You must complete and sign a membership form and submit it to UFF in order to become a member.** In addition to guaranteeing yourself free representation in any grievance and arbitration proceedings that you may need to initiate in the future, by becoming a UFF member you will:

- 1) strengthen the voice of faculty in negotiations;
- 2) support our lobbying efforts for better higher education funding and academic excellence;
- 3) receive professional protection by way of a free \$1 million professional liability policy;
- 4) obtain the right to vote in UFF elections and thereby influence UFF bargaining priorities;
- 5) gain access to a variety of “members only” workshops, events and services, including free life insurance policies and legal representation;
- 6) receive free professional publications and literature about national higher education issues.

*Academic Freedom, Tenure, Shared Governance, Nondiscrimination, Promotion, Salaries, and Benefits.* These are just a sample of the important issues addressed in our Collective Bargaining Agreement at UF. Professional liability insurance and legal assistance are examples of direct benefits of UFF membership. Most importantly, joining the United Faculty of Florida helps to build a stronger voice for faculty at UF, throughout Florida, and nationally. "Although membership is not a perfect predictor of power and influence, it is perhaps the strongest correlate of the ability of unions to perform positive political and economic functions for their members and their societies." -- Verma (U. Toronto), Kochan (M.I.T.), & Wood (U. Sheffield, UK), *British Journal of Industrial Relations* (2002).
